

Rand Whitney Containerboard

Location: Montville, CT

Overview

The Kraft Group is privately-owned, family operated. We do business in over 80 countries with 5,000+ employees delivering exemplary service to our customers.

The Kraft Group is a holding company with the network and capital resources of a large global corporation, our interests are diverse and concentrated in six specific areas:

- Paper and packaging manufacturing and distribution of forest products – this includes joint ventures with New Indy Containerboard, TriPaQ, Carolina Container (west coast, mid-west, southeast)
- Sports, entertainment and event management
- Construction and real estate development
- Private Equity and venture investing
- Sustainability
- Philanthropy
